

**Workshop on "Animated Spinal Radiology Interpretation" – 22<sup>nd</sup> and 23<sup>rd</sup>  
March, 2024**

School of Physiotherapy, Vinayaka Mission's Puducherry campus, organized a workshop on "Animated Spinal Radiology Interpretation" held on March 22nd and 23rd, 2024 at the Seminar Hall, Vinayaka Mission's Puducherry campus. Led by the esteemed Prof. Dr. Prabhu, Instructor, and Founder of Digital Teachings Bangalore, the workshop provided a unique and enriching experience for physiotherapy professionals. Through innovative animated techniques, participants understand the concept of spinal radiology interpretation, gaining valuable insights and practical skills. The workshop fostered an environment of collaboration and learning, with engaging discussions by Dr. Prabhu. Attendees left the workshop equipped with advanced knowledge and enhanced expertise in interpreting spinal radiology, poised to make significant contributions in their professional practice.
